

Getting here

We like to advise first time visitors to avoid Prospect Place when arriving, this is a narrow and extremely steep hill, however a lot of Sat Navs will see it as the quickest route. We suggest you head for Kingsdown Golf Club – SN13 8BS – and follow the signs for Monkton Farleigh from there, it's a much flatter route.

From the M4

Leave at Junction 18 and head south on the A46 and proceed under the roundabout signposted **Chippenham**. At the next roundabout, turn right to Bradford on Avon, then turn left after going under the railway bridge to **Bathford**. The **Crown Pub** will be on your right hand side. Continue up this hill for approximately 2 miles. Just before The **Kingsdown Golf Club**, turn right, then turn right again on to Link Lane, then right again onto Farleigh Rise. Less than a mile and **The Blackberries Camping Park** is on your left.
